## WELCOME TO CHILDREN'S SAFE STAY, INC.

Welcome to Children's Safe Stay, Inc., where good child care does make a difference!

For a parent or guardian who entrusts the care of their child(ren) to us, the quality of care is critical. Ensuring quality child care is our main objective.

The safety and health of all children depends upon the careful attention of the basics: places for eating, sleeping, toileting and cleaning up. Our group leaders have worked hard to develop a well planned curriculum with activities that are geared to different levels of ability and development with an organized daily schedule.

We use a positive approach with children and set clear and simple rules to follow. Remember, positive discipline helps children learn acceptable behavior without physical or emotional harm.

We need to work together to provide your family with quality care. So please keep the lines of communication open.

Our staff selection is critical to providing quality care. All staff must receive clearance by the State of New York before they may work with our children. All staff are required to complete 30 hours of training in child development, health and safety, nutrition, behavior management; as well as, certification in CPR and First Aid. Children's Safe Stay, Inc. also provides in-house training on a regular basis. A registered nurse is on call and visits the Center on a regular basis. Many of our staff has completed their Child Development Associates, MAT (Medication Administration Training) and we have several staff members completing College Level classes. Furthering our education and experience in the Child Care Field is very important.

Below, please find a list of items that your child(ren) may need:

Please make sure you read the attached policies and procedures and complete the attached pages. If you have any questions, please feel free to contact us or stop in the office.

### Items Needed:

#### **Infants & Toddlers**

- You must supply your child(ren) with at least a week's supply of diapers, wipes, change of clothes, diaper rash ointment, a plastic shoe box for change of clothes [make sure everything is labeled]
- Please do not bring in a diaper bag – just put the items in your child's box and/or cubby.
- All bottles, blankets, bibs, and diapers should be **labeled** with your child's name.
- Please review your child's meal schedule with the Infant Room staff.

#### **3&4 Year Olds**

- Please supply your child with a change of clothes. Please put the clothes in a plastic shoe box in his/her cubby. [underwear, socks, pants and a shirt] Please **label** all items.

#### **School-Age Program**

- Please supply your child with a change of clothes. Please put the clothes in a plastic shoe box in his/her cubby. [underwear, socks, pants and a shirt] Please **label** all items.
- If you would like your child to begin their homework at the Center, please complete the Homework Form and supply them with a pencil case with the necessary school supplies.
